Leetcode

PROJECTS

OLX-Clone

- Designed the logic for authentication, Product and Checkout page.
- Improved UI by responsive design and utilized REST APIs to dynamically load data. Built the complete set of REST APIs.
- Followed the layered approach for easy maintenance, Used MongoDB NoSql database. Deployed frontend to vercel and backend to railway.

Skills-> React.js, React Routing, Event Handling, localStorage, Keyword Search, Debouncing, Responsive Design, React hooks, CSS, Media Queries, Node.js, Express.js, Mongoose ODM, REST API's, local Storage, MongoDB Atlas, Railway, Vercel

Placement Cell

- A Student Management Backend app that can handle students data and generate csv report file.
- Created web pages using EJS, HTML and CSS, Bootstrap, JQuery and made them dynamic using JavaScript.
- Added responsive design to improve UI. Utilized REST APIs to dynamically load data. Deployed website to render.

Skills-> HTML, CSS, Javascript, Node.js, MongoDB Atlas, EJS, JQuery/AJax, Bootstrap, Mongoose ODM, REST APIs, Express.js

XFLIX

- A video sharing platform which hosts video to watch, upload new videos by using external video links and play these videos.
- Created the core logic for different pages, Added responsive design to improve UI. utilized REST APIs to load data.
- Built the complete set of REST APIs, Maintained a layered approach for easy maintenance. Used MongoDB NoSQL database for data storage.

Skills-> React.js, React Routing, Event handling, Ant design, REST APIs, keyword Search, Debouncing, Css, Node.js, Express.js, MongoDB, REST Api's, Mongoose.js, Postman.

QKart

- Developed the logic for authentication, shopping cart and checkout, Improved UI by adding responsive design.
- Built the REST APIs to load data, Used a layered approach, Used MongoDB NoSQL database for data storage.
- Implemented multiple authentication schemes. Wrote unit and integration tests to test the implementation.

Skills-> React.js, React Routing, Event Handling, localStorage, Keyword Search, Debouncing, Responsive Design, React hooks, CSS, Media Queries, Node.js, Express.js, Mongoose ODM, REST API's, local Storage, MongoDB Atlas, Railway, Vercel

Contact LIST

- User can add contact to contact list. User can edit and delete the contact.

Skills-> React.js, React Routing, Event Handling, CSS, Redux, React Redux, Javascript, Vercel

NodeJS Auth

- A Node.js server side app for all authentication and authorization related task.
- It contains manual and google OAuth2 login/signup features.

Skills-> Node.js, Express.js, MongoDB, HTML CSS, javascript, EJS, Noty.js, Token authentication, Passport.js, CSS,

EDUCATION

Bachelor of Technology, CSE

SMVDU CGPA 7.65/10.00

📅 2019 – 2023

CBSE-12th Class

Hope Hall Foundation School

📅 2017 – 2018

SKILLS

HTML, CSS, JavaScript, ES6, Material-UI, Ant-Design, Bootstrap, ReactJS, NodeJS, Redux, React Redux, ExpressJS, Socket.IO, Ajax, JQuery, MongoDB, MongooseJS, MySQL, NoSQL, DBMS, C++, Java, Git, Data Structures & Algorithms, Leetcode, Operating System, Github, VS Code, Eclipse, Postman

EXPERIENCE

Full Stack Intern (MERN)

INFA technologies

📅 Jan 2022 – May 2022

- Worked as a Full Stack developer using modern web development framework i.e. React and AntDesign to build interactive web apps.
- Developed Authentication for an E-commerce web App containing both manual and google Auth2 features.
- Built Cart Component and product component for an E-commerce web app using Ant design and ReactJS.

Teaching Assistant

Coding Ninjas

📅 Jan 2022 – May 2022

- Key responsibilities were to take doubt sessions, debug code.
- Guided undergraduate students in understanding data structures and algorithms.
- Cleared 600+ doubts of students regarding Data Structure and Algorithm in java.
- Help students in their assignments various projects.

CERTIFICATION

- Frontend - Coding Ninjas
- Backend - Coding Ninjas
- ReactJS - Coding Ninjas
- Data Structures Algorithms - Coding Ninjas
- DBMS - Coding Ninjas
- Operating System - Coding Ninjas

ACHIEVEMENTS

- Solved 700+ Questions on Leetcode
- Highest Rating - 1704 - Under top 12%
